SLOPPER

Well, like If youre looking for me, Im probably in my house watching TV. My favorite shows are Wheel of Fortune and The View. My favorite food is Double Cheeseburgers and Fries in Nacho Cheese.

Hi muddy_man! My name is Slopper. I'm a Tuskaninny... if you cant tell. I like drinking beers and am a professional singer. I used to do opera, but my real passion is yodelling. I live in a house next to the water treatment plant. You wouldnt believe how cheap it was. I have two friends, Skitt, my pet, who is my best friend, and Liam, the Gnorbu. I dont like Liam as much cause he can be really annoying sometimes. But he will never be as loud as me.

Slopper in Neopian Central Jail

This is my mugshot. I got arrested for public urination and disturbing the peace, which is Kau sh(i)t. I was "disturbing the

peace" with my beautiful yodeling. I wouldve added on resisting arrest, but I had downed 2 Jaegerbombs beforehand and was kind of blacking out.

Pissing on the playground

I should be out of here in a few days. Ive been arrested many times, but usually just for public intoxication, so I know the drill. Im legally a s(e)x offender, but thats just cause I had one too many Long Island Iced Teas and had to piss, but they wouldnt let me use the bathroom! So I went outside and pissed on a playground, and lah dee dah, the police show up! So now Im a s(e)x offender, and Im not getting very many opera jobs. But its not all bad, cause now I can focus on my true passion, yodelling.

I love to chat!
